## **Connecting You to a World of Possibilities**

A division of internationally renowned Nemco Food Equipment, Global Solutions is an expert in the sourcing and distribution of commercial food equipment & supplies from manufacturers all around the world.

By partnering with Global Solutions, foodservice operators, chains and equipment dealers gain instant access to economical E&S solutions and new product development capabilities, while international food equipment OEMs gain a channel into the North American market.

## **Supporting You Like No Other**

Good quality food equipment at a more affordable price point is just the beginning.

Unlike with other comparative options, every product in the Global Solutions lineup is backed by the sales, marketing, distribution and customer-experience network at Nemco—so, along with an exceptional performance value, you also get the service reliability of a powerhouse in the industry.

# tomato slicer

One stroke is all it takes to turn a whole tomato into multiple slices with uniform thickness for consistent portion control and minimal waste. Made of aluminum with a low base and non-skid feet for stability.

models: **GS4100-A, 3/16"** | **GS4100-B, 1/4"**

### FEATURES

- Slices tomatoes
- Push tomato through to slice
- Aluminum body with non-skid feet

### SPECIFICATIONS

Equipment (W x D x H).....7<sup>1</sup>/<sub>4</sub>" x 15<sup>1</sup>/<sub>4</sub>" x 8<sup>1</sup>/<sub>4</sub>"  
 Weight ..... 7 lbs  
 Shipping Weight ..... 9 lbs

### PART NUMBERS

10200-1 .....Blade Assembly 3/16"  
 10200-2 .....Blade Assembly 1/4"  
 10201-1 .....Pusher Assembly 3/16"  
 10201-2 .....Pusher Assembly 1/4"

# rotary slicer

Use one tool to slice all sorts of fruits and vegetables in a wide range of thicknesses. Adjust the blades to the size you need, from 1/8" to 1/2". Bolt the base to the counter for stability. Then, loosen the knob to remove the slicer for cleaning. Made of aluminum.

model: **GS4400**

### FEATURES

- Adjustable slice thickness
- Slice 1/8"-1/2"
- Aluminum body
- Bolts to table

### SPECIFICATIONS

Equipment (W x D x H)..... 21" x 11" x 16"  
 Weight ..... 9 lbs  
 Shipping Weight ..... 11 lbs

### PART NUMBERS

10212 ..... Slicing Assembly

# onion slicer | 1/4"

Slicing onions is easy, thanks to an ergonomically designed handle that uses leverage. Your motion and the pusher block do all the work. Made of aluminum with a wide base and non-skid feet for stability.

model: **GS4250-B**

### FEATURES

- Slice through onions fast
- Consistent 1/4" slices
- Aluminum body with non-skid feet

### SPECIFICATIONS

Equipment (W x D x H).....10" x 19" x 30"  
 Weight ..... 17 lbs  
 Shipping Weight ..... 19 lbs

### PART NUMBERS

10206-2 .....Blade Assembly 1/4"  
 10207-1 .....Pusher Assembly 1/4"

## chopper

Make quick work of onions, peppers, and all sorts of other produce items with this super-simple chopper. Just bring the weighted handle down in one stroke and, then, keep the veggies coming. Features an aluminum body with non-skid rubber feet for stability.

models: **GS4150-A, 1/4"** | **GS4150-B, 3/8"**

### FEATURES

- Push handle down for chopped food
- Aluminum body with non-skid feet
- Save time, money and effort

### SPECIFICATIONS

Equipment (W x D x H).....8" x 8" x 19"  
 Weight ..... 6 lbs  
 Shipping Weight ..... 7 lbs

### PART NUMBERS

 10202-2 ..... Push Block 3/8"  
 10203-1 ..... Blade Assembly 1/4"  
 10203-2 ..... Blade Assembly 3/8"

## lettuce chopper

Turn an entire iceberg head into a crispy-fresh pile of lettuce with one motion. Features an aluminum body with non-skid rubber feet for stability.

models: **GS4200-C, 1/2" x 1/2"** | **GS4200, 1" x 1"**

### FEATURES

- Chop heads of lettuce
- Aluminum body with non-skid feet
- Save time, money and effort

### SPECIFICATIONS

Equipment (W x D x H)..... 13" x 18" x 20"  
 Weight ..... 15 lbs  
 Shipping Weight ..... 17 lbs

### PART NUMBERS

10205 ..... Blade Assembly 1" x 1"  
 10217 ..... Blade Assembly 1/2" x 1/2"

## wall-mount chopper

Save time and space with this convenient model that stays up off the counter. Features a handle with built-in leverage to cut through raw potatoes, onions and other produce. Made of aluminum.

models: **GS4450-A, 1/4"** | **GS4450-B, 3/8"**

### FEATURES

- Cuts potatoes, onions, tomatoes and more
- Aluminum body with coated handle grip
- Save time, money and effort

### SPECIFICATIONS

Equipment (W x D x H)..... 8" x 12 1/2" x 15 1/2"  
 Weight ..... 9 lbs  
 Shipping Weight ..... 11 lbs

### PART NUMBERS

10202-1 ..... Push Block 1/4"  
 10202-2 ..... Push Block 3/8"  
 10203-1 ..... Blade Assembly 1/4"  
 10203-2 ..... Blade Assembly 3/8"

## wedge cutter

Forget using a knife. Create citrus, tomato and other fruit and veggie wedges with one quick top-down motion.

models: **GS4560-6, 6-section** | **GS4560-8, 8-section**

### FEATURES

- Wedge fruits and vegetables
- Aluminum body with non-skid feet
- Save time, money and effort

### SPECIFICATIONS

Equipment (W x D x H).....8" x 8" x 19"  
 Weight ..... 5 lbs  
 Shipping Weight ..... 6 lbs

### PART NUMBERS

10214-6 ..... Blade Assembly, 6-Section  
 10214-8 ..... Blade Assembly, 8-Section

## cheese cutter

Turning a small cheese block into a pile of uniform slices, sticks or cubes is quick with this easy-to-use device. Adjust for 3/8" or 3/4" sizes. Made of aluminum.

model: **GS4300-B**

### FEATURES

- Cuts cubes, sticks, squares and rectangles
- 3/4" and 3/8" cuts included
- Save time, money and effort

### SPECIFICATIONS

Equipment (W x D x H).....6 3/4" x 12 1/2" x 4 1/2"  
 Weight ..... 5 lbs  
 Shipping Weight ..... 6 lbs

### PART NUMBERS

10208 ..... Cutting Bow Assembly 3/8"  
 10209 ..... Cutting Bow Assembly 3/4"  
 10210 ..... Ring Pin

## can opener

Place the can on the base and turn the easy-motion crank a few times. Opener mounts right to the counter's edge for stability.

model: **GS4500**

### FEATURES

- Cast-iron manual can opener
- Open cans up to #10 size

### SPECIFICATIONS

Equipment (W x D x H).....20" x 10" x 4"  
Weight ..... 8 lbs  
Shipping Weight ..... 9 lbs

### PART NUMBERS

10215 ..... Replacement Blade

## grill scraper

Make quick work of cleaning your griddle tops with this aluminum-cast tool that transfers user motion right to the point of attack. Turn two wing nuts to remove and replace the scraper blade.

model: **GS4350**

### FEATURES

- Aluminum body
- Makes cleaning your grill easy
- Replacement blades available

### SPECIFICATIONS

Equipment (W x D x H).....6" x 16" x 4"  
Weight ..... 2 lbs  
Shipping Weight ..... 3 lbs

### PART NUMBERS

10211 ..... Scraper Blade

# meat slicers

GS meat slicers feature a robust, compact design with a low center of gravity and rubber feet that, all together, provide exceptional stability in use. That said, they're all easy to pick up, move and place where needed. Meanwhile, stainless-steel construction and a built-in blade sharpener ensure lasting performance.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1600	9" Meat Slicer	17" x 15" x 13"	30 lbs	34 lbs	110	280	2.5	5-15P
GS1601	10" Meat Slicer	18 <sup>7</sup> / <sub>8</sub> " x 14 <sup>5</sup> / <sub>8</sub> " x 14 <sup>1</sup> / <sub>4</sub> "	35 lbs	40 lbs	110	320	2.9	5-15P
GS1602	12" Meat Slicer	20 <sup>7</sup> / <sub>8</sub> " x 18 <sup>7</sup> / <sub>8</sub> " x 18 <sup>7</sup> / <sub>8</sub> "	53 lbs	61 lbs	110	420	3.8	5-15P

## GS1600 - 9" Meat Slicer

The perfect unit for lower-volume commercial kitchens that serve, but don't necessarily feature, sandwiches and other menu items with sliced meats and cheeses.

### FEATURES

- 3/8 HP air-cooled motor
- Adjustable slice thickness from 0 to 3/8"
- Built-in blade sharpener
- Removable carriage for easy cleaning
- Slices cold meats and cheeses
- 8.6" diameter stainless steel blade
- 6' power cord and plug

## GS1601 - 10" Meat Slicer

A great mid-range unit that supports a steady volume of deli or sandwich items, or can augment an arsenal of slicers in a high-volume operation.

### FEATURES

- 7/16 HP air-cooled motor
- Adjustable slice thickness from 0 to 7/16"
- Built-in blade sharpener
- Removable carriage for easy cleaning
- Slices cold meats and cheeses
- 9.8" diameter stainless steel blade
- 6' power cord and plug

## GS1602 - 12" Meat Slicer

Higher-volume delis and restaurants will appreciate the versatility and durability of this unit that can slice all kinds of cold meats and cheeses in thicknesses up to just beyond a half inch.

### FEATURES

- 9/16 HP air-cooled motor
- Adjustable slice thickness from 0 to 9/16"
- Built-in blade sharpener
- Removable carriage for easy cleaning
- Slices cold meats and cheeses
- 11.8" diameter stainless steel blade
- 6' power cord and plug

# deep fryers

Add a range of high-margin, appetizer and side-order favorites with these compact, yet versatile, countertop fryers. They all feature stainless-steel construction, adjustable temperature controls and removable components for easy cleaning.

Fryer basket

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1610	10 lb Fryer	8½" x 15" x 13"	10 lbs	14 lbs	120	1750	17.5	5-15P
GS1611	16 lb Fryer	10½" x 15¾" x 14½"	13 lbs	17 lbs	208/240	3250	13.5	6-20P
GS1611-120	16 lb Fryer	10½" x 15¾" x 14½"	13 lbs	17 lbs	120	1750	14.6	5-15P
GS1612	32 lb Fryer	22½" x 15¾" x 14½"	25 lbs	31 lbs	208/240	6500	27*	6-20P (2 cords)

\*13.5 amps per cord.

## GS1610 - 10lb Deep Fryer

The perfect fryer for food trucks and other mobile operations.

### FEATURES

- 10 pound oil capacity
- All stainless steel construction
- Removable stainless steel fry oil pan and heating element
- Non-slip feet
- 4' power cord and plug

## GS1611 - 16lb Deep Fryer

A great kitchen companion that can fit almost any counterspace.

### FEATURES

- 16 pound oil capacity
- All stainless steel construction
- Removable stainless steel fry oil pan and heating element
- Non-slip feet
- 4' power cord and plug

## GS1612 - 32lb Deep Fryer

Twin wells, each with independent power supply and temperature controls, mean you can have two completely different orders going at the same time for higher productivity.

### FEATURES

- 32 pound oil capacity
- All stainless steel construction
- Removable stainless steel fry oil pan and heating element
- Non-slip feet
- Dual 4' cords (one cord per side)
- Two baskets included

## panini sandwich grills

Instantly add an entire array of grilled sandwiches to your menu with these versatile panini presses that can easily find a place on even the busiest kitchen counter. They feature twin grill plates that heat from the top and bottom at the same time, on a surface area big enough for two Texas-toast-sized sandwiches, giving you that productivity boost you'll need when your patrons are asking for more. Single-dial temperature control and hinged handle keep operation simple, regardless of kitchen-staff experience. Choose from two different models—one with flat plates or, for authentic grill marks, one with grooved plates.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1620	Panini Grill, Flat	17" x 14½" x 8"	39 lbs	44 lbs	120	1750	14.6	5-15P
GS1621	Panini Grill, Grooved	17" x 14½" x 8"	39 lbs	44 lbs	120	1750	14.6	5-15P

### FEATURES

- Seasoned, heavy-duty flat cast iron heater plates
- Durable stainless steel construction
- Non-slip feet
- 13" x 8½" cooking surface
- Low-profile, space-saving design
- Temperature control from 120°F to 570°F
- 6' power cord and plug

Model GS1621

## bulb warmer | 2-bulb

Make sure all your plate-ready foods stay their warm, crispy best with this twin bulb warmer. Designed for application versatility, it has a polished aluminum body that's attractive enough for customer-visible settings and an adjustable height feature to accommodate a range of food types and volumes.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1670	Bulb Warmer, 2-Bulb	14" x 20⅞" x 23⅞"	4 lbs	6 lbs	120	500	4.2	5-15P

### FEATURES

- 4 adjustable height settings (*Up to 29.33"*)
- Polished aluminum
- Non-skid feet
- Supplied with (2) 250W bulbs
- 6' power cord and plug

# portable countertop induction ranges

Take the high energy efficiency of induction cooking virtually anywhere—even on the road in mobile applications—with these ingenious, portable countertop units. Each combines versatile digital controls, pan detection with automatic empty-pan shutoff and overheat protection to make this advanced method of cooking as easy as possible. The glass cooktop inside a stainless-steel housing maximizes durability. Units work with all kinds of pans and feature multiple power levels to reach and maintain a wide range of temperatures.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1680	HD Induction Range, Portable	12 <sup>7</sup> / <sub>8</sub> " x 17 <sup>3</sup> / <sub>8</sub> " x 4 <sup>3</sup> / <sub>8</sub> "	12 lbs	14 lbs	120	1800	15	5-15P
GS1681	Induction Range, Portable	12 <sup>1</sup> / <sub>16</sub> " x 14" x 2 <sup>3</sup> / <sub>4</sub> "	8 lbs	9 lbs	120	1800	15	5-15P

## FEATURES

- Touch pad controls, 4 digit LED display, digital timer
- Proper pan detection and automatic empty pan safety shut-off. 10" diameter pan maximum
- Overheat protection
- Error code alert display
- Attached 5<sup>1</sup>/<sub>2</sub>' power cord and plug
- Non-slip feet

model: **GS1680**

Full stainless steel body and durable glass cooktop. Upgraded heating coil and circuit board. Unit features 7 power levels with temperature settings from 140° to 460°F.

model: **GS1681**

Durable glass top, stainless steel housing and molded plastic bottom. Unit features 6 power levels with temperature settings from 150° to 450°F.

# rice cooker/warmer

Rice perfection has never been easier with this 24-cup output unit that is a must for any fast-paced kitchen. Measure your rice using the cup and scoop included, add water and press the button. The unit automatically cooks, then, switches to a “hold” status for no-brainer operation. Cleaning is just as easy, with a removable non-stick cooking pot.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1630	Rice Cooker/Warmer	15 1/2" Diameter, 12" h	11 lbs	14 lbs	120	1600	13.3	5-15P

## FEATURES

- Prepares up to 24 cups of cooked rice
- Removable, non-stick cooking pot
- One button control, automatically goes into “Hold” mode after rice is cooked
- Measuring cup and scoop included
- 4 1/2' cord and plug

# full size cooker/warmer

Get reliable, uniform holding with this energy-efficient full-size cooker/warmer. Features a singular dial control and a power light to make operation super-simple. Meanwhile, all stainless-steel construction maximizes durability and the pan’s rounded edges and corners make food transfer and cleanup a breeze.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1665	Full Size Cooker/Warmer	13" x 21" x 10"	13 lbs	16 lbs	120	1500	12.5	5-15P

## FEATURES

- Accommodates 12x20 6" deep food pan
- Stainless steel construction
- Energy efficient design
- 6' power cord and plug

## manual multipurpose oven

Produce perfect pizza! This versatile oven is designed for baking thin or original crust frozen pizzas. Commercial quality countertop oven has dual position elements which are designed to cook quickly and consistently with no preheating required. Prepare anything you would normally cook in your toaster oven including garlic and cheese breads, egg rolls, bagels, and other food items of a non-greasy nature.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1010	Manual Multipurpose Oven	23 <sup>5</sup> / <sub>8</sub> " x 19 <sup>1</sup> / <sub>2</sub> " x 10 <sup>1</sup> / <sub>4</sub> "	36 lbs	41 lbs	120	1700	14.2	5-15P

### FEATURES

- Bakes (1) 12" original crust pizza in approximately 8–12 minutes
- Removable clean out tray
- Mechanical 15 minute timer
- Long life calrod heating elements
- Flip up handle design for easier storage
- Opening: 2<sup>9</sup>/<sub>16</sub>" x 17<sup>1</sup>/<sub>2</sub>"
- Timer features 'hold' option
- Variable control thermostat from 100°F to 675°F
- 5' power cord and plug

## digital multipurpose oven

This is not your typical pizza oven. With one simple push, your digital LED display is automatically set for 10 minutes at 450°F. Need more or less time? Not a problem! Our new rotary dial design allows you to easily set it at what you need with just a turn of the dial. Did we mention it does more than just pizza? Get creative! You'll be amazed at what you can make in this oven.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1005	Digital Multipurpose Oven	18" x 15" x 7 <sup>3</sup> / <sub>4</sub> "	18 lbs	21 lbs	120	1500	12.5	5-15P

### FEATURES

- Adjustable thermostat, 150°F–500°F in 25°F increments
- 30 minute digital display timer
- Quick one-touch setting of 450°F for 10 minutes
- Opening: 3" x 13"
- Removable clean out tray
- LED display
- Long life calrod heating elements
- Flip up handle design for easier storage
- "Formed" tray to prevent food products from sliding off back of tray
- 6' power cord and plug

## 10.5qt soup kettle | BLACK

Versatility and visual appeal are the main ingredients in this attractive soup kettle with front-of-the-house style. A 10-setting control and a label holder on the face accommodate a broad range of soups, while a black powder-coat and stainless-steel exterior maintain a high-end look. Also features a hinged lid to hold in the heat. The removable stainless-steel soup pot and aluminum interior make cleanup easy.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1650	Soup Kettle, 10.5qt, Black	14" Diameter, 15" h	11 lbs	13 lbs	120	400	3.3	5-15P

### FEATURES

- Soup and sauce warmer
- Black powder coated exterior, aluminum interior
- Removable stainless steel soup pot
- Attached, stainless steel, hinged lid
- Overheat protection
- 10-setting control knob
- Blank label area to customize soup flavor
- 4 1/2' power cord and plug
- Prepare food on rangetop and merchandise in soup kettle

## heated shelf merchandiser

The perfect merchandiser for all your hot fast foods. Compact display unit is designed for maximum visibility and extended shelf life. Featuring product illumination for both shelves and an adjustable thermostat to keep your products at just the right serving temperature.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1300-24	Shelf Merchandiser, Heated	21" x 25" x 20 1/2"	60 lbs	66 lbs	120	1500	12.5	5-15P
GS1300-24-S	Slanted Shelf Merchandiser, Heated	21" x 25" x 20 1/2"	60 lbs	66 lbs	120	1500	12.5	5-15P

### FEATURES

- Thermostatically controlled heated shelf and base plate
- Adjustable thermostat for precise temperature control
- Temperature range to above 150°F
- Illuminated to showcase product on both heated surfaces
- Sturdy, durable stainless steel construction
- (8) 3 7/8" aluminum product trays
- (4) grill racks
- (2) 8" aluminum product trays
- (4) 2" x 24" display channels that allow you to slide in custom graphics (*max. thickness: 0.025"*)
- 6' power cord and plug

# mechanical roller grill | 30-count

420 square inches of counterspace is all you need to introduce a surefire sales leader to your self-serve menu. Both operator- and customer-friendly, this unit features two independent temperature controls to manage separate cook zones and an easy-access display. Nonstick rollers and a removable drip tray simplify cleaning. 30-dog capacity.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1640	Mechanical Roller Grill	22 <sup>3</sup> / <sub>4</sub> " x 19" x 9"	29 lbs	34 lbs	120	1400	11.7	5-15P
GS1641*	Sneeze Guard	19 <sup>3</sup> / <sub>4</sub> " x 17 <sup>1</sup> / <sub>2</sub> " x 9 <sup>1</sup> / <sub>2</sub> "	11 lbs	14 lbs	—	—	—	—

\* Sold separately.

### GRILL FEATURES

- 11 non-stick rollers
- Two-zone temperature control
- Removable & easily cleanable drip tray
- Non-slip feet
- 30 hot dog capacity
- Stainless steel construction
- Individual heating elements in each roller
- 5' power cord and plug

### SNEEZE GUARD FEATURES

- Three piece modern design made of glass
- Quick and easy installation
- All sides covered (other than front opening) to promote hygienic use of roller grill

# nacho cheese dispenser

The perfectly compact companion on any snack-food counter—for nachos, breadsticks, pretzels, you name it! Your customers will love the convenience and you'll love the design that completely isolates the cheese from making any contact with machine parts, virtually eliminating cleanup!

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1555	Nacho Cheese Dispenser	17" x 10" x 28"	29 lbs	33 lbs	120	225	1.9	5-15P

### FEATURES

- Dispenses cheese or chili to satisfy every taste
- Keeps a backup bag preheated for rush times
- Peristaltic pump dispenses every last drop—no waste!
- Adjustable 3-button dispensing control adds convenience

## popcorn poppers

Produce buckets of freshly popped popcorn in minutes and keep up with the concession stand rush! Global Solution's popcorn popper is compact, lightweight and simple to use, without sacrificing quality or speed. This popper features a stainless-steel kettle with integrated heating elements, for better cooking and easier cleaning.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1735	Popcorn Popper, 6oz	17 <sup>3</sup> / <sub>4</sub> " x 14 <sup>3</sup> / <sub>4</sub> " x 23"	33 lbs	37 lbs	110/120	1175	10.2	5-15P
GS1736	Popcorn Popper, 12oz	23 <sup>3</sup> / <sub>4</sub> " x 19 <sup>3</sup> / <sub>4</sub> " x 31 <sup>1</sup> / <sub>8</sub> "	60 lbs	64 lbs	110/120	1760	15.3	5-15P

### GS1735 - 6oz Popcorn Popper

#### FEATURES

- Fast popping time: 2 min per batch for up to 180 oz. of popcorn per hour
- Simple and safe to operate
- Stirring function for even popping, and heating elements to keep popcorn warm and fresh
- Durable aluminum alloy frame construction, stainless steel kettle and tempered glass

### GS1736 - 12oz Popcorn Popper

#### FEATURES

- Fast popping time: 2 min per batch for up to 360 oz. of popcorn per hour
- Simple and safe to operate
- Stirring function for even popping, and heating elements to keep popcorn warm and fresh
- Durable aluminum alloy frame construction, stainless steel kettle and tempered glass

## sno-kone machine

Change up your snack-time offering with a little snow-cone magic using this compact unit that's perfect for smaller, lower-volume operations. Features high-visibility for merchandising appeal and multiple features to make cleanup a cinch.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration
GS1550	Sno-Kone Machine	24" x 15" x 26"	56 lbs	59 lbs	120	972	8.1	5-15P

#### FEATURES

- Ideal entry-level solution with modest output and super-simple operation
- Welded frame prevents melting-ice leaks
- Removable snow pan and drain tube simplify cleaning
- Glass windows optimize visibility and durability

# cotton candy machines

Produce 120 cones per hour and keep your customers' sweet teeth satisfied! Global Solution's Cotton Candy Machine features a high quality stainless steel bowl, making it durable and easy to clean. With simple, quiet operations and minimal vibrations, this cotton candy machine is perfect for use at any venue.

Model #	Description	Dimensions (WxDxH)	Weight	Shipping Weight	Volts	Watts	Amps	Plug Configuration

- Commercial construction with easy-to-use controls and high quality stainless steel bowl
- Quiet operations with minimal vibrations—perfect for indoor or outdoor use
- Easy to clean—just pour in a small amount of water
- Built-in storage drawer for scoops, cones, sugar and more

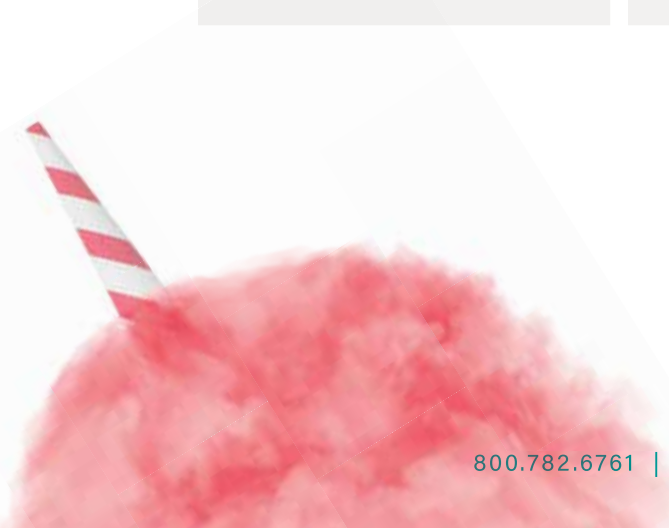

Model GS1731-C

## Cotton Candy Covers

### FEATURES

- Clear dome-top construction effortlessly displays your product
- Cut-out section provides easy serving access
- Dome controls the spinning of the cotton candy to prevent any escaping particles

# **the E&S Dealer's Unbeatable Value-Add**

**No other source for value-line  
food equipment offers more  
than Global Solutions. Period.**

## **In-Stock & Custom Food Equipment Items**

Everything in this catalog is in stock and ready to ship. If you don't see what you need, we can source it for you.

And you don't ever have to order anything blind. You can personally see, handle and kitchen-test any item in our Phoenix, AZ, showroom.

## **Private Label? You Got It!**

Placing an order is easy, with multiple lead-time options.

- **In-Stock** equipment is on the shelf in our Phoenix, Arizona, location and ready to ship today!
- **Import Ready** items are overseas, but already tested and agency certified. We can place a PO and have them stateside in 8 to 10 weeks.
- **Special Orders** involve equipment that has to be sourced, manufactured, tested and/or sent through agency. They can be available in as few as 10 to 14 weeks.

If you want to build or augment a private-label line, just say the word. Combined orders are easy too!

## **No-Hassle Supply. No-Nonsense Pricing.**

Global Solutions is more than your offshore sourcing agent. We're your inventory manager and fulfillment house—with a simple, no-frills pricing structure that makes doing business, moving product and streamlining sales super easy for you!

- Importing, warehousing & logistics all out of our Phoenix location.
- Same-day order fulfillment and, if needed, direct drop-shipping!
- NO minimum orders on our GST™ house brand items.
- Sell-through marketing support
- NO warranty hassle—We'll handle the service side!
