PROTECTIVE BARRIERS

Let us help you arm your space against the spread of harmful germs and elements. Now more than ever, it's crucial to ensure that staff and customers are protected from airborne contaminants. Protective barriers are suitable for counters, work spaces and dining areas.

Self-Standing Guards

Convert a counter, bar or work area to a germ-protected zone with self-standing acrylic guards. Made of 1/8" acrylic, this guard is both easy-to-move and stable enough to protect your customers and staff from harmful elements. Available with or without window.

Heavy Duty Acrylic Counter Guard

Protect your counter area from all harmful contaminants. Produced from heavy-duty, easy-to-clean ¼" acrylic, this shield will not bend or bow in service. Perfect for the check-out area, hostess stand, reception counter or bar area. Unit is pre-drilled with three holes and comes with bolts and nuts for easy mounting anywhere.

Hinged Acrylic Guard

Converting your counter, bar or work area to a germ-protected zone is easy with this hinged acrylic guard. Made of ⅛" acrylic, this guard is easy-to-move but stable enough to protect your customers and staff from harmful elements. Include 6 hinges to provide strong and tight corners for each 9" wing.
